Ordering Instructions:

- All artwork needs to be created on unlined paper no larger than 9"x12". Using colored paper will create a colored background.
- Oil pastels, paint, markers or flax paper collage work best. Crayons and color pencils will have a softer finish. Erase any pencil marks on the artwork but DO NOT use white out.
- Photographs may be submitted. You can combine photos and artwork to create a collage on a single piece of paper up to 9"x12".
- Use only one side of the paper. Markings on the back side can show through on to the finished product.
- If writing is on the art, leave a 1/4" border from the edge of the paper to ensure it does not get cut off in processing.
- On the backside of the photo or artwork use an arrow or the word "TOP" to indicate the top of each piece of artwork.
- If you are submitting more than one piece of artwork give each piece of art a number - this should correspond to the art number indicated on the order form. Write number on the back.
- Specify your typeface choice by writing K or C in the column titled type face.
The typeface choices are:
The First is Kidstuff
The Second is Copperfield
- We cannot accept copyrighted artwork or photographs without proper release.
- Original artwork and photographs will be returned with the finished product.
