Notes on Products

Ordering Instructions

- All artwork needs to be created on unlined paper no larger than 9"x12". Using colored paper will create a colored background.
- Oil pastels, paint, markers or flax paper collage work best. Crayons and color pencils will have a softer finish. Erase any pencil marks on the artwork but DO NOT use white out.
- Photographs may be submitted. You can combine photos and artwork on a single piece of paper up to 9"x12".
- Use only one side of the paper. Markings on the other side can show through on to the finished product.
- You can sign and date your artwork BUT make sure to leave a 1/4" border from the edge of the paper to ensure it does not get cut off in processing.
- On the backside of the photo or artwork use an arrow or the word "TOP" to indicate the top of each piece of artwork.
- If you are submitting more than one piece of artwork give each piece of art a number - this should correspond to the art number indicated on the order form.
- Specify your typeface choice by writing K or C in the column titled typeface. The typeface choices are:

The First is Kidstuff
The Second is Copperfield
- We cannot accept copyrighted artwork or photographs without proper release.
- Original artwork and photographs will be returned with the finished product.

- Art on the Mousepads may be cropped. There will be a border if bleeding will ruin the integrity of the art.
- Ceramic tiles have a gloss finish and are not scratch resistant.
- Art on Keepsake Boxes, Frameless Stands and Trivets may be cropped (if the integrity of art is not compromised) to be consistent with the format of the product. If not cropped, we will fill the background with a complimentary color to create a border.
- Tooth Fairy Bags have the art printed on both sides.
- The Savings Banks, Mugs and Jars are ceramic.
- Messages are available on all items except: Caps, Mousepads, Notecards, Placemats, Keepsake Boxes, Tooth Fairy Bags, Key Chains, Frameless Stands, Luggage/I.D. Tags, Teddy Bears and Mini Tees.
